

# OSCA GT0 2021-2022

OSCA GT0 is a non-sanctioned invitational class which is available to saloon cars that are generally "OSCA type" cars but may not meet all of the OSCA rules.

Any competitor must apply to and be approved by the majority of the OSCA committee.

The intention of this class is to allow cars/competitors to compete that are doing no faster lap times than is typical of the top few existing OSCA cars.

No car/competitor may go faster than the following lap times.

Ruapuna - 1 minute 29 seconds.

Levels - 1 minute 6 seconds.

Teretonga - 1 minute 2 seconds.

Highlands - 1 minute 44 seconds.

Any competitor that breaks out of this time will have 10 seconds (per lap broken out) added to their race time. Repeat offenders will be removed from competition. Penalties will be at the discretion of the OSCA committee.

GT0 competitors will be provided with a trophy for 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> place and will be awarded points as per the OSCA points structure.

GT0 competitors will be eligible for any prizes or prize money that is available to OSCA competitors.

GT0 competitors will be required to pay a series entry fee of \$50 per round or \$150 annually (generally 6 rounds).

GT0 competitors will not be eligible for points in any OSCA class and will also not be eligible to vote in an OSCA Annual general meeting.

The OSCA committee reserves the right to remove any competitor from competition at any time for any reason.
